EAST CENTRAL REGIONAL RAILROAD AUTHORITY AND

PURSUANT TO 49 C.F.R. §§ 1150.31 AND 1150.41**

Pursuant to 49 C.F.R. § 1150.31 et seq, East Central Regional Railroad Authority ("ECRRA"), a non-carrier, hereby files this Verified Notice of Exemption to acquire from Dakota, Minnesota & Eastern Railroad Corporation ("DM&E") a line of railroad extending from Milepost 145.0 near Yale, South Dakota to Milepost 160.33 near Huron, South Dakota, as shown on Exhibit A hereto, in Beadle County, South Dakota (the "Yale-Huron line"). Based on projected revenues for the line, ECRRA expects to become and remain a non-operating Class III rail carrier after consummation of the transaction proposed herein.

Also, pursuant to 49 C.F.R. §1150.41 et seq, the South Dakota Railroad Authority ("SDRA") and the South Dakota Department of Transportation ("SDDOT"), political subdivisions of the State of South Dakota and collectively a non-operating Class III rail carrier, hereby file this Verified Notice of Exemption for SDRA to acquire the Yale-Huron line from

ECRRA and, in turn, for SDDOT to concurrently acquire the Yale-Huron line from SDRA. Based on projected revenues for the line, SDRA/SDDOT expect to remain a Class III non-operating rail carrier after consummation of the transactions proposed herein.

As part of the relevant purchase and sale agreements contemplated by these transactions, ECRRA will retain lease rights with respect to the Yale-Huron line, and DM&E will retain sublease rights on the line. Thus, after the series of proposed transactions is completed, SDDOT will be the non-operating rail carrier/owner of the Yale-Huron line, ECRRA will be the non-operating rail carrier/lessee of the Yale-Huron line, and DM&E will be the sublessee and will remain as the actual rail operator of the Yale-Huron line.

In accordance with the requirements of 49 C.F.R. §§ 1150.33 and 1150.43, the parties submit the following information:

Statement Concerning Agreements: 49 C.F.R. §§ 1150.33(c) and 1150.43(c)

ECRRA has reached a sale agreement with DM&E for acquisition of the Yale-Huron line, with DM&E retaining subleasehold rights. SDRA has, in turn, reached agreement with ECRRA for SDRA's acquisition of the Yale-Huron line, with ECRRA retaining leasehold rights. Immediately upon consummation of the SDRA-ECRRA transaction, the Yale-Huron line will, in turn, be deeded to SDDOT, and the parties have reached agreement with respect thereto.

Operator of the Property: 49 C.F.R. §§ 1150.33(d) and 1150.43(d)

The Yale-Huron line is currently owned and operated by DM&E. Following consummation of the series of transactions contemplated herein, all of which will be completed virtually simultaneously, DM&E will remain the operator of the Yale-Huron line by virtue of having retained subleasehold rights in the sale agreement with ECRRA.

Summary of the Transaction: 49 C.F.R. §§ 1150.33(e) and 1150.43(e)

The Yale-Huron line extends from Milepost 145 near Yale, South Dakota to Milepost 160.33 near Huron, South Dakota, a total distance of approximately 15.33 miles. Currently, DM&E is the owner and operator of the Yale-Huron line, which connects with DM&E at Huron and with BNSF Railway Company at Yale. The line is primarily used to service the Yale Elevator, and also can be utilized for overhead movements. DM&E purchased a small portion of the line (Milepost 145 – 148.5) from BNSF on June 19, 2008, pursuant to authorization in Dakota, Minnesota & Eastern Railroad Corporation -- Acquisition Exemption -- Line of BNSF Railway Company, Finance Docket No. 35125 (STB served May 14, 2008).

When the series of transactions proposed herein is completed, DM&E will still be the operator of the Yale-Huron line (pursuant to a retained subleasehold interest), ECRRA will be the lessor of the line (pursuant to a retained leasehold interest), and SDDOT will be the owner of the Yale-Huron line. SDDOT will be the ultimate owner of the Yale-Huron line so that it can fund necessary rehabilitation of the line pursuant to South Dakota statutes. However, due to specific language in the applicable South Dakota statutes, it is necessary that ECRRA first acquire the Yale-Huron line from DM&E and then, in turn, transfer the line to SDRA, before it can ultimately be acquired by SDDOT. These statutory considerations are the reason for the slightly complex transactional structure involved here.

In Finance Docket No 35184, DM&E will sell the Yale-Huron line to ECRRA, while retaining subleasehold rights for actual operations on the line

In Finance Docket No. 35185, ECRRA will, in turn, immediately sell the Yale-Huron line to SDRA, while retaining leasehold rights SDRA will concurrently deed the Yale-Huron line to SDDOT Ultimately, as indicated above, SDDOT will be the owner, ECRRA the lessee, and DM&E the sublessee and operator of the line

BNSF will retain overhead trackage rights on the Yale-Huron line pursuant to pre-existing agreements with DM&E

In Finance Docket No 35184, the name and address of the entity selling the Yale-Huron line to ECRRA and retaining subleasehold interests is

Dakota, Minnesota & Eastern Railroad Corporation
140 North Phillips Avenue
Sioux Falls, South Dakota 57104
Facsimile (605) 782-1299

In Finance Docket No 35185, the name and address of the entity selling the Yale-Huron line to SDRA, while retaining leasehold rights is:

East Central Regional Railroad Authority
P O Box 74
Cavour, South Dakota 57324-0074
Facsimile (605) 354-2919

SDRA will, in turn, convey its interest to SDDOT. SDRA's address is

South Dakota Railroad Authority
700 East Broadway Avenue
Pierre, South Dakota 57501-2586
Facsimile: (605) 773-3921

The parties intend to consummate these transactions on or after November 20, 2008

Map: 49 C.F.R. §§ 1150.33(f) and 1150.43(f)

A map showing the Yale-Huron line and the surrounding area is attached as Exhibit A to this notice

Certificate of Compliance: 49 C.F.R. §§ 1150.33(g) and 1150.43(g)

Certificates of Compliance with the provisions of 49 C.F.R. §§ 1150.33(g) and 1150.43(g) are attached as Exhibits B-1 through B-3 to this notice. The rail revenues of ECRRA, SDRA and SDDOT, respectively, as a result of these transactions will not result in the creation of a Class II or Class I rail carrier.

Advance Notice: 49 C.F.R. §§ 1150.32(e) and 1150.42(e)

The projected annual rail revenue of each of the applicants, upon consummation of the proposed transactions, does not exceed \$5 million, and, accordingly, the advance notice requirements of 49 C.F.R. §§ 1150.32(e) and 1150.42(e) are not applicable to this transaction. See Exhibits B-1 through B-3 hereto.

Environmental and Historic Preservation Data: 49 C.F.R. § 1105

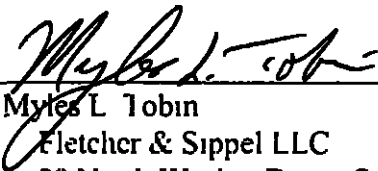

Under 49 C.F.R. § 1105.6(c)(2), the proposed acquisitions of the Yale-Huron line are exempt from environmental reporting requirements. The proposed transactions will not result in significant changes in carrier operations, i.e., changes that exceed the thresholds established in 49 C.F.R. § 1105.7(e)(4) or (5).

Under 49 C.F.R. § 1105.8(b)(1), the proposed acquisitions of the Yale-Huron line also are exempt from historic preservation reporting requirements. The proposed acquisitions are for the purpose of continued rail operations. Further Surface Transportation Board approval is required to discontinue or abandon any service, and there are no plans to dispose of or alter properties subject to Board jurisdiction that are fifty years old or older.

Caption Summary: 49 C.F.R. §§ 1150.34 and 1150.44

A caption summary in appropriate form is attached as Exhibit C to this notice

Respectfully submitted.
